### April 26 – Lesson #5

1. Go to the following website <https://nccareers.org>
2. Click on Career Tools in the top right – then **North Carolina Career Clusters Guide**
3. Students will scroll to #5 **Search the Job Market** section.
4. Students will investigate tips for searching the job market by clicking on the **Search the Job Market** link. investigate several ways to search the job market for their future career.
5. An especially helpful link to access is [CareerOneStop](#). This resource profiles the fastest growing occupations, occupations with the most openings, and occupations with declining employment.

6. Please stress to students the importance of researching a business whether for a summer job or their career so they may be prepared for their interview. Also encourage students to use this great resource for career exploration. All Career and College Focus Navigator lesson plans are posted on Enka's website under Academics/Career and Technical Education/Current Job Openings/Career Resources.
